What do we like about February? Fiona, Roland and Tasha! This concert is going to be one of the most spectacular things that we do this year. I've never seen anything done by Roland Auzet that wasn't twice as exciting as you expected it to be. Hold on to your seats! The Mahler will be a good match for Tasha, who is just an extraordinary singer. It's a glorious symphony, with a slow movement so poignant it can change your life.
