

## **CONCERT ATTIRE**

### **Women**

All women vocalists must purchase LJSC's new (as of fall 2017) black concert attire at a cost of \$96. Coordinated by Dress Maven, Deanna Johnson, all women will have a fitting session to try on skirts and tops at the beginning of the season or quarter. Checks and cash are accepted for payment and collected by the Dress Maven who places the order. (Make checks payable to Deanna Johnson, with "LJSC Concert Attire" in the memo.) If \$96 represents a financial hardship, it may be possible to arrange payment in installments and/or make alternative arrangements. A minimum first payment of \$35 is required at the time of fitting.

### **Men**

Men wear traditional black tuxedos, black shirts with Mandarin collars (no ties) and long sleeves, black socks, and black shoes. If assistance is needed when purchasing attire, please ask the Section Leader or Chorus Manager. If purchasing concert attire represents a financial hardship, it may be possible to arrange payment in installments and/or make alternative arrangements.

### **Black Music Folders**

All vocal musicians must use a black folder for performances. Any type of black folder is acceptable but a black choral concert folder is preferred.
