The instrumental division winner may be chosen to perform a solo work with the La Jolla Symphony. The encouragement to learn and present innovative repertoire is an extension of the philosophy of the La Jolla Symphony & Chorus to create and present varied and innovative programs. This competition requires that contestants include at least one selection composed from 1950 to the present.

REPERTOIRE REQUIREMENTS:

Applicants are required to provide an original copy of each selection for the judges. Digital printouts are acceptable with proof of purchase, i.e. a receipt.

1. Two of the three selections must have orchestral accompaniment. They may be single movement works or concerto movements. Three composers must be represented.
2. One selection must be a solo work for the instrument unaccompanied.

3. Two of the three selections must be performed from memory. At least one of these selections must date from 1950 to the present. Applicants are encouraged to consider music from contrasting periods. The choice of repertoire will be considered in the adjudication.
